

## O “Internetês”, o Concurso Público e o Linguajar de uma Boa Empresa

Este Rato descobriu os links abaixo para aqueles que querem, por fim, falar e escrever em português, que é a nossa língua pátria.

É, este país tem um idioma que lhe é próprio sim, o que parece não ter sido notado ainda pelos “aborrecentes” e os meios de comunicação em massa de uma forma geral.

Até a data de ontem, dia 22 de Janeiro de 2013, todos os links estavam funcionando perfeitamente bem, mas eu sugiro que corram e baixem os vídeos antes que sejam tirados do ar por contrariar o (PMIIBH) Programa mundial de Incentivo à Ignorância e a Bestialidade Humana.

Como agora todos já podem perceber, o Youtube, não tem só cultura inútil, gozações e barbaridades.

Para quem quer ser algo nesta vida, falar e escrever (de preferência bem) é fundamental; o “internetês” não é nada senão o retorno aos primórdios da idade da pedra lascada por via eletrônica, o que é um além de um absurdo, um contra-censo.

## CONCURSOS PÚBLICOS - ENSINO MÉDIO/TÉCNICO

### LÍNGUA PORTUGUESA

#### Interpretação de texto
